BLUEBELL Bluebell is the sweetest girl! She completed her work here as a wonderful nursing mother to a group of kittens…some not even her own. And is now ready to retire to a lap, windowsill, family and home. At just over 1 year old, she has a calm energy, and just loves to study and of course, get your attention and affection. Bluebell is spayed and current on vaccinations.

PETS CATS & DOGS, cont.

CALAMINT is a playful female kitten just under four months old. She loves a good cardboard box, and enjoys string toys and playtime. Calamint is healthy, spayed, vaccinated and ready for her new family.

GALE is a four month old kitten, female, learning to play, explore, and hoping for a safe lap to land in! Gale is interested in any toy we introduce her to, and gets along well with other kittens and cats. She is current on vaccinations, spayed, and microchipped.

FROGGER a gentle chill kinda guy. Approx one year old, neutered, current on vaccinations. Hoping for a home with matching energy.
